FOREWORD

The glorious days of college life in the year of 1941-'42 have passed. Only the memory of friends, fellow-students, and faculty members can recall the happy events experienced at dear ol'Southwest. To one and all, members of the Whispering Pines staff express appreciation for courtesies extended to them.

A fond farewell to all!
But Remember!
Remember Pearl Harbor!!
Remember Southwest!!

MRS. L. FERN MILLER

Dedicated

to

MRS. L. FERN MILLER

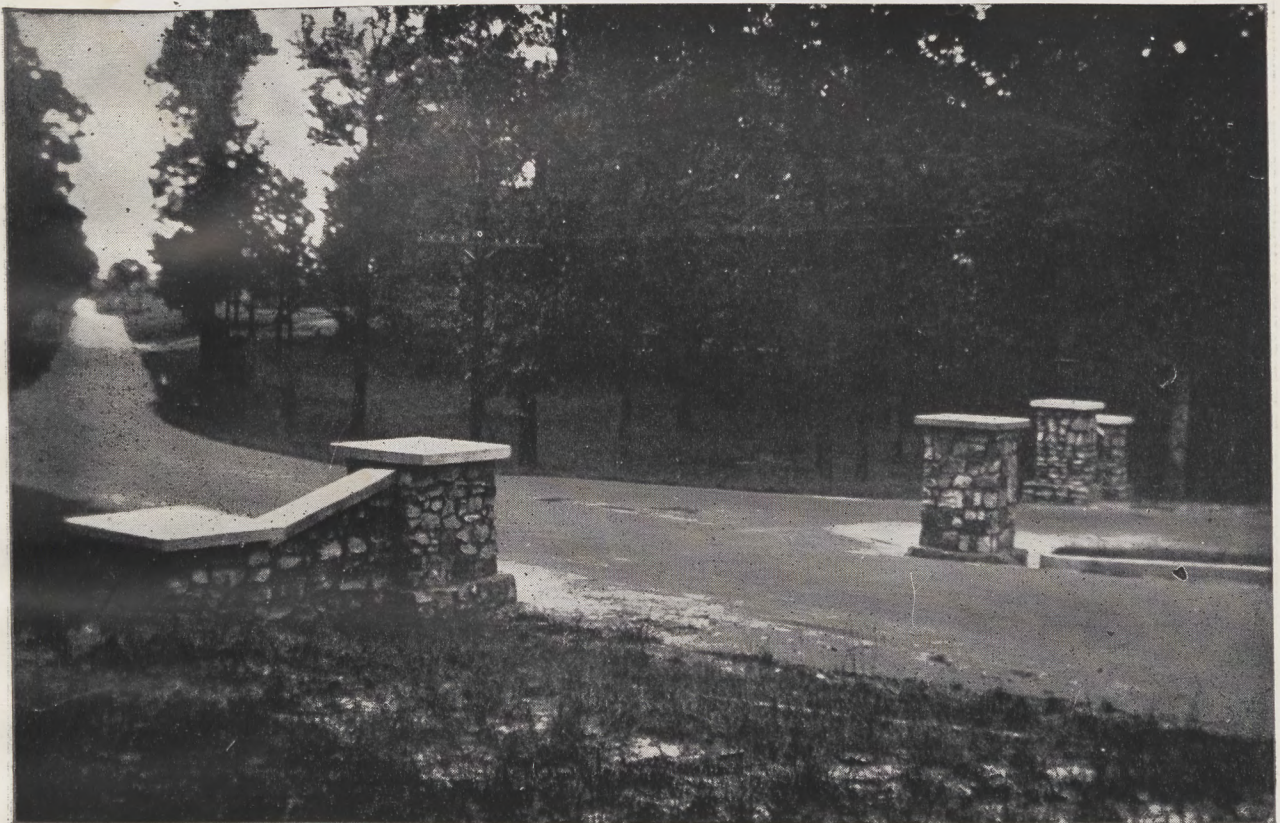

Who shares so unselfishly her true
christian life and who instills in us the love
of the right and good.

PRESIDENT JAMES MURRAY KENNA

The splendid service of James Murray Kenna as superintendent of the Pike County Agricultural High School and, in recent years, as president of Southwest Mississippi Junior College is reflected in the lives and works of thousands of young men and women who have come under his supervision. His has been the responsibility; his has been the joy of a great accomplishment.

Southwest traveled to Ellisville for the first game of the season. The team, composed mostly of freshmen, lost to the state champions 27-0. Being made of freshmen, the team was green, and the boys were new to one another.

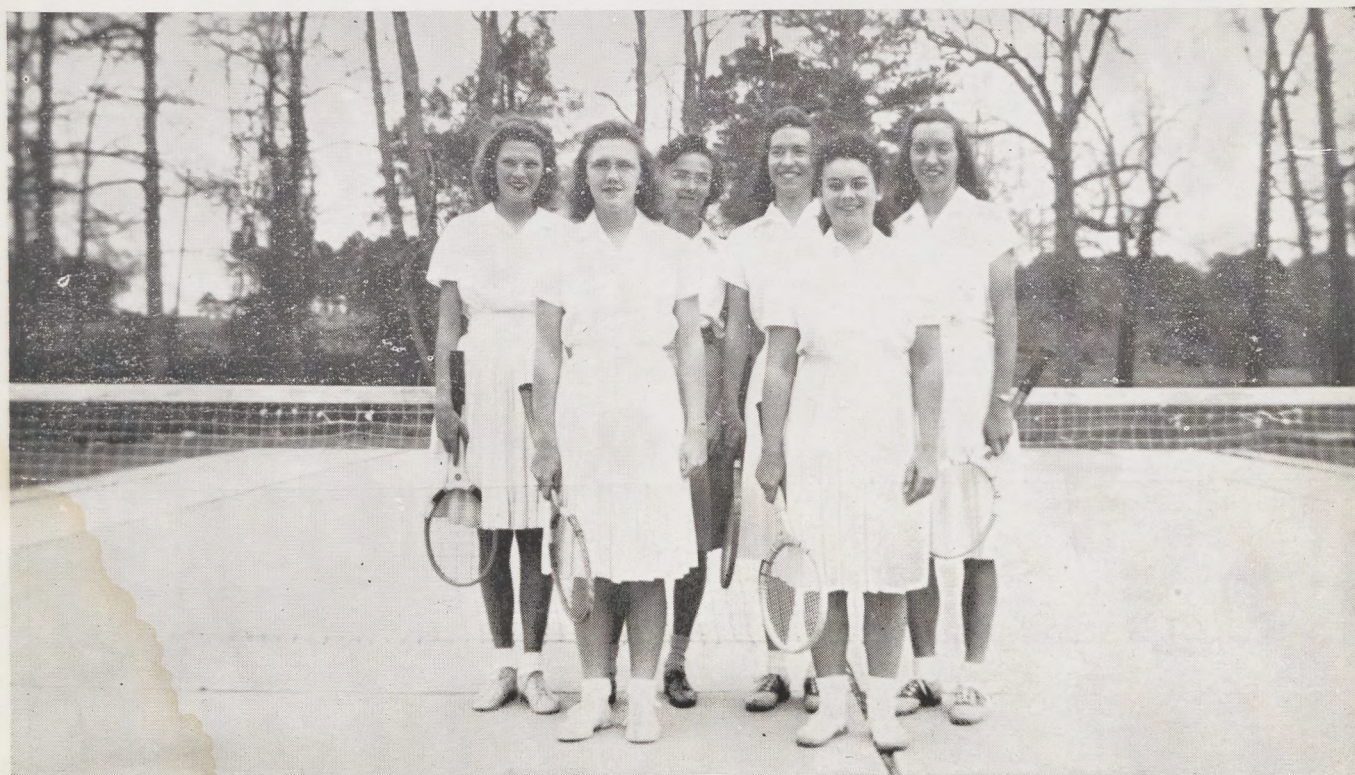

The Pilots first tasted victory when they whipped the Miss. College freshmen 12-0. In the game with Scooba, Southwest scored the winning touchdown in the last quarter with only a few minutes remaining in the game.

Southwest showed amazing offensive power marching down the field to a score the opening minutes of play against the strong Moorhead team. The game ended 26-13, with score to Moorhead's credit.

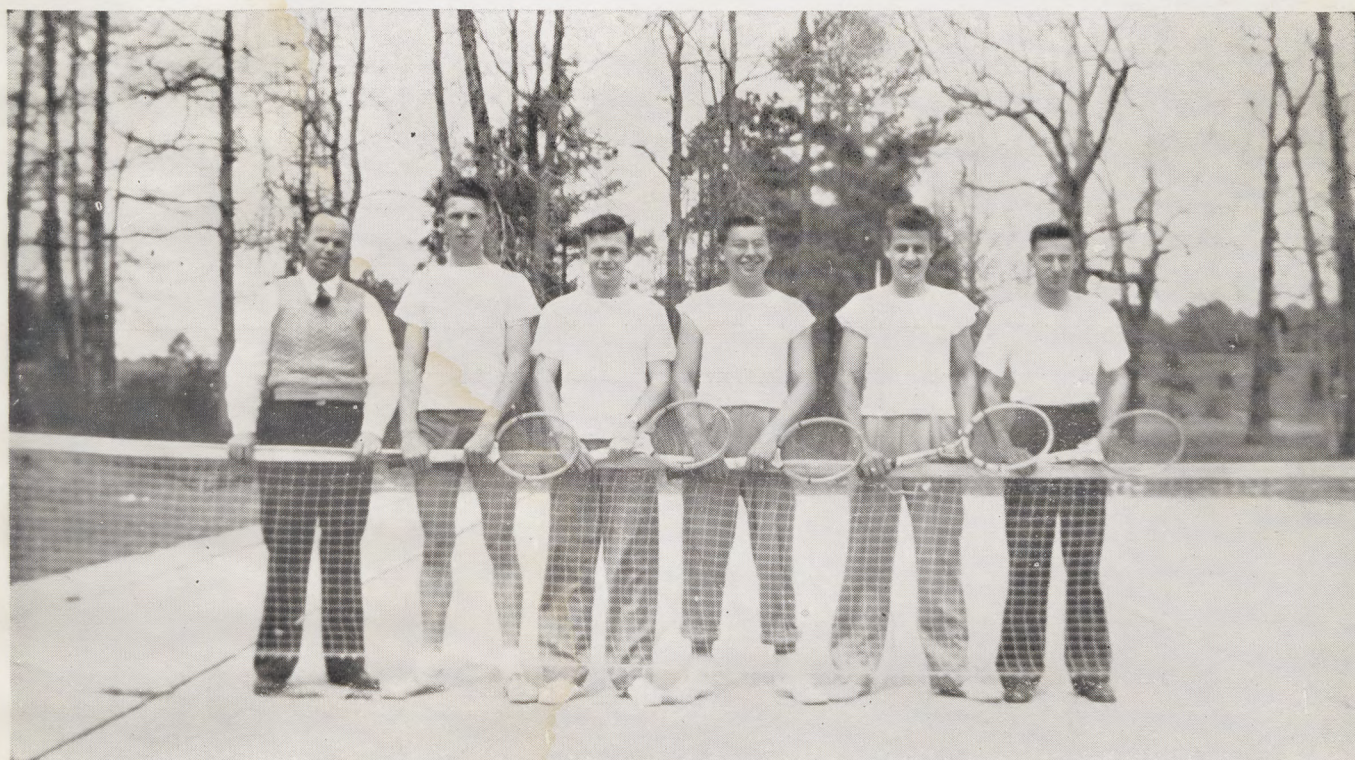

The Homecoming game was announced by a downpour of rain. Decatur, a power team, held the upper hand most of the 22-0 battle, the slippery ball stopping the tricky offense of Southwest's football team.

Next year's team will be made up of mostly sophomores, more experienced at the game and playing with each other. Those leaving the team are tackle Golman Lee, guard Charles Terrell, ends Wayne Sauls, John Greer, and backs Danny Dilorati and Frank Hurst.

Band and Pep Squad

The S. W. J. C. Band under the direction of Mr. George Wimberly, is one of the outstanding junior college bands in the state. The great showing made at the many athletic events is due to the faithful work of the director and band members. At every football game the past season, the band was found doing its utmost to instill the victory spirit into the team and spectators alike. One of the most enjoyable concerts was the one given on the annual Senior Day program.

The highlight of the year was the excellent showing made at the Spring Festival. Six members of the band were selected to participate in the All-State Junior College Band concert.

The band was led in its many parades by head drum major, Lewis Hammack, and majorettes, Margaret Page and Shirley Felder.

The Pep Squad, under the direction of Miss Anabel Cox, which works with the college band, consists of thirty-six members and two majorettes. Its purposes are to lend a colorful and peppy appearance and to put on spectacular shows between halves at football games.

The Christian Council acts as a steering committee to direct the Religious Activities on the campus. Through this channel many blessings flow out to the student body. Among them are: A well-rounded program of Y. M. and Y. W. C. A. activities, noon-day prayer meeting, weekly prayer meeting, vesper services, and a number of special seasonal programs as well as an annual student revival.

"We will serve Thee, Oh, Lord!"

"Our hearts which are so cramped and dull,

Our baffled hopes, our impulses slow,

Thou takest, touchest all, and lo!

They blossom to the beautiful."

The Civil Pilot's Training

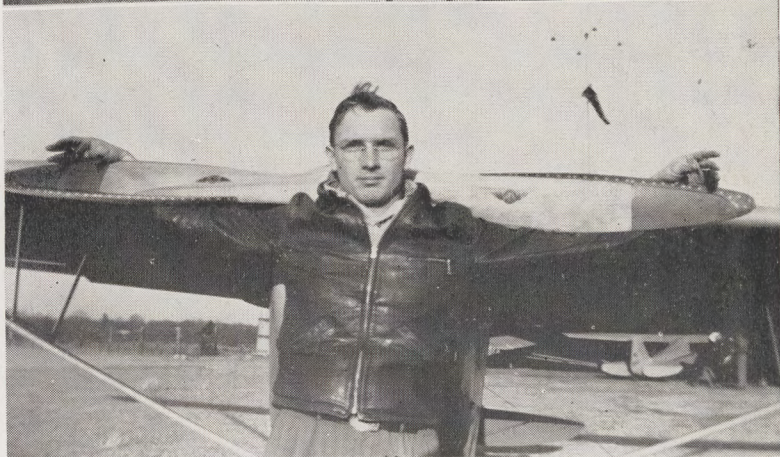

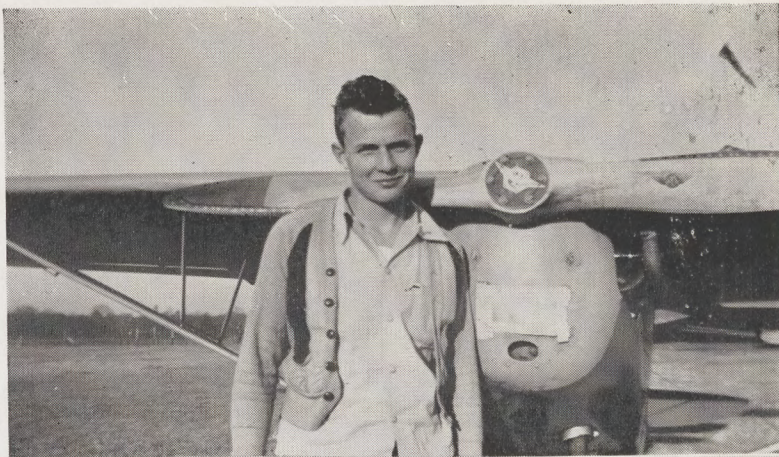

In addition to the prerequisite ground school training under the direction of Murray W. Kenna, four stages of flight training under instructor, James G. Guess, are offered: A, which is pre-solo time; B, in which familiarity with the plane and coordination and maneuvers are taught; C, which includes advanced maneuvers, precision landings, and spins and stalls; the final stage, D, which is the cross-country flight.

Upon completion of the course, a student is given a Private pilot's license, enabling him to fly any plane up to 80 H. P. Craft.

The Civil Pilot's Training

Those finishing the course in January were A. J. Causey, Victor Denison, Danny Dilorati, John L. Gilbert, John B. Greer, Pat Gulledge, Gerald Johnston, with Burnette Hutchison and Claudie Lee Cothern as alternates.

Members of the spring class are: Bobby Baughn, Walter Blalock, Archie Jones, John Wicklund, Edgar Dolhonde, Burnette Hutchison, Ervin Reynolds, Burke Travis, Frank Whittington, and Lyman Woodfin.

Dedication

This page is dedicated to the former students and members of the faculty of Southwest Junior College who are serving in the United Allies armed forces on land, on sea, and in the air.

Whatever may be your part, wherever your post, boys, our thoughts and love are with you.

God bless you, and keep you fine, and bring you safely home to us at last.

WE'LL WIN TOGETHER

We are all in the war. The bombardier high over Burma, the girl loading machine gun bullets in some New England arsenal, the farmer in his field, the student in the class room, are all fighting the battle for freedom.

To win this war will take the unified effort of every man and woman in this great country. There is a job for every one of us to do.

So long as there is a threat to our liberty, our freedom of religion, enterprise, education — so long as any of the rights of the American people are threatened, we will fight.

And the work and sacrifice of all will tilt the scales toward Victory.

BETTER LIGHT BETTER SIGHT

IS EVEN MORE IMPORTANT NOW

The War has added emphasis to the value of good eyes. Better Light and Better Sight speeds up industrial production—cuts down on fatigue — protects eyes both young and old — brightens up and lifts morale. More than ever before due to the physical requirements of the armed forces, the young people of America are aware of the value of light — good light.
